

Student Ministries

St. Luke's United Methodist Church

TRIP POLICIES

What happens if I sign up today, but find out later that I can't go?

If you sign up today, but need to cancel your registration later, please contact Cat Kershner via email of your cancellation, ckershner@stlukesmethodist.org. A full refund will be issued when the notification of cancellation is received at least 60 days prior to any summer trip, and at least 30 days prior to a 2-day trip.

Following the cancellation deadline, the registration fee is non-refundable. Exceptions will be decided on a case-by-case basis for reasons such as student illness or family emergency.

Are there any scholarships available for trips?

Yes! Scholarships are available for all Student Ministry trips thanks to the generosity of donors to our scholarship fund. It is our hope that cost will never prevent a student from attending a trip or event. Please contact Cat Kershner in writing via email for more information, ckershner@stlukesmethodist.org, prior to each trip's registration deadline.

Can I donate to a scholarship fund to help students go on trips?

Yes! We are always accepting donations for our Student Ministry scholarship fund, and this would be a great way to keep our trips thriving and provide a potentially life-changing experience to a student who may otherwise not get to attend. Please designate your gift to "Student Scholarships", and your gift will go on your record of giving: <https://my.stlukesmethodist.org/second-mile>
